IMPORTANT

THIS FORM IS TO BE USED BY **CORPORATE TAXPAYERS** FOR PAYMENT OF INCOME TAX AND/OR NET WORTH TAX WHEN AN EXTENSION HAS BEEN REQUESTED OR IS ENFORCED.

Instructions for Form IT 560C

When a taxpayer receives an automatic extension of time in which to file a Federal return, Georgia will honor that extension. No penalty for late filing will be assessed if the Georgia return is filed by the extended due date of the Federal return. The extension is for filing the return and does not extend the time for paying the tax. The tax must be paid by the statutory due date. An extension of time for filing does not relieve the taxpayer of liability for interest or penalty for late payment of tax.

1. This form is to be used to submit any payment of tax when an extension is requested or enforced.
2. The amount paid with this form should be claimed on the completed return as credits and payments.
3. This form must be submitted with remittance to pay the tax that will be due as reflected on the final return. If the tax is not paid by the original due date of the return, a penalty of 1/2 of 1% per month of the tax due will be assessed as a late payment penalty. The addition of this penalty does not relieve the taxpayer of liability for interest due on the unpaid balance of tax.
4. The amount paid is to be credited as a payment on the liability that may be due as indicated on the completed return. Georgia Public Revenue Code Section 48-2-31 stipulates that taxes shall be paid in lawful money of the United States, free of any expense to the State of Georgia.
